SEACRAFT SYNDICATE BOAT OWNERS CLUB

PRESIDENTS REPORT

Hi,

Wow! What a Regatta! Mulwala 2017 proved to be a great success. The weather was ordinary on the Friday, but the sun shone through on Saturday morning – a good omen that we were in for a great weekend.

Our first visit to the Mulwala Twin Lakes venue had an element of the unknown – but in true SSBOC style the turn out was amazing and we all seemed to feel right at home – just like a big Carrum!

The Friday night saw many of us get into the spirit early at the Mulwala Water Ski Club, with many pre-registering and catching up over a drink or 5, and together with the display of our boats soon had us in the spirit. The MWSC is certainly an easy place to socialise especially with the caravan park so close and the courtesy bus for those further a field.

Thanks to all the helpers that had the course set up out at Twin Lakes on Friday so we could get straight into events on Saturday. We ran hot all day.

Saturday night we were back at the MWSC for socialising, dinner Trivia fun. Special thanks to Staci, Jakinta and their helpers for putting it on the Trivia quiz – I'm sure it was rigged – how else could the presidents table end up with the wooden spoon?

Sunday time trials got underway reasonably early despite a few sore heads, and we ran full on through to dusk.

Typical of our club, so many assisted in the running of the weekend, from set up to admin, time keeping to judging, and the universal feedback has been everyone had a great time – thank you all.

Thanks to the Mulwala Water Ski Club for their support, hospitality and their invitation for us to come back next year.

Thanks to the Mulwala Water Ski School for feeding us all weekend – they did a great job, and a couple of their young skiers signed up and entered a couple of time trial events. They enjoyed it so much they are enthusiastic to support us again next year.

It was great to see our Queensland members make the trip down and for putting the pressure on in the Plank race – I have a feeling a few will be practicing for next year!

We will be back at Oasis Mt Evelyn for presentation night in July – it will be a great night with plenty on – so fill out the attached booking forms and stick it in your calendars.

Thanks again for a great Mulwala Regatta – I hope just the first of many more to come!

Regards,

Jon Helmore

DADDY O - GUN SEACRAFT - NAILED
will be on display

The first Seacraft Syndicate Boat Owners Club , Mulwala Regatta was a tremendous success, with 34 Boats taking part and a lot of people wanting to get involved and have a ski. The Max Kirwan Ski Park is a fantastic venue to hold our Regatta, with great facilities and good water for skiing.

The Mulwala Ski Club made us feel very welcome and went out of their way to help make this Regatta work. They were very impressed with what we did and the way we ran our Regatta. The CEO, Financial Manager, The President & Vice President all came out to have a look at different stages over the weekend and all had nothing but praise for what we do. They are very keen to have us come back next year and have locked away the date awaiting our confirmation.

It certainly was a busy weekend with 34 Boats attending which was a great result for our first year at a new venue, but on top of that there are a lot more people taking part in the events. For example at the 30th Anniversary Regatta, I think there was about 45 Boats and there was 197 individual Time Trials, at Mulwala there was 34 Boats and 277 individual Time Trials. Well done to all competitors for getting through that many Time Trials.

Some highlights for the weekend included, the number of Junior Boat a Kana drivers, 8 kids stepped up to try their luck. Jason Paroz making the trip from Queensland again and this time he brought 7 friends with him, great effort. Kev Grech's spectacular turn on Trick Ski's at the bottom turn was a sight to behold, completing the turn with his bum dragging in the water and then standing up to complete the lap. A dominant performance by Augie and his crew in most events that they entered, Chevwood never fails to perform well. There were many other highlights, but I don't have time to mention them all.

Many people contributed to putting on this magnificent Regatta, special mention to Neville Blake who organized the Porta Loo's at no cost to the Club, supplied a Tinny to set the course up and took time off to come and help set up. Thanks to all the Time Keeper's, Data Logger's , Starter's, Clerks of Course, Raffle Ticket Seller's and Buyer's. Big thanks to everyone who came along and made this Regatta great, you all deserve a pat on the back as our behaviour over the weekend was appreciated and complimented by the management of the Mulwala Ski Club.

Jon Helmore deserves to be congratulated for all of his work behind the scene's, negotiating with Nautilus for a better Insurance deal for all of us and contacting a lot of past Member's and encouraging them to be involved with the Club again. I am sure the number's at the regatta would not have been this good without his countless hour's on the phone and at meeting's.

Thanks again, I can't wait to do it all again next year.

MULWALA REGATTA APRIL 2018

APRIL 7th & 8th.

Because this years regatta was such a success, we have decided to book the venue again for next year. The Mulwala Ski Club are so impressed with the way we conduct our event and the behaviour of all of our Members that they have asked us to come back again next year.

Accommodation can be booked at the SKI CLUB HOLIDAY PARK (03) 5744 1050. They have agreed to hold all available Cabins and several Camp Sites for SSBoc Members until the end of July and then it will be open to the public, so first in best dressed.
