MULWALA RESULTS

SEACRAFT SYNDICATE BOAT OWNERS CLUB

PRESIDENTS REPORT

Hi all,

Well what a Regatta!!! Mulwala 2018 didn't disappoint!

The great weather brought out a huge number of boats, and the participation across all events was awesome. From the smallest U/6 to the oldest Super Veteran, whether the pro skier or just having a crack, our SSBOC Mulwala Regatta certainly proved the *only place to be* on the weekend after Easter.

The social get togethers on the Friday, Saturday and Sunday nights at the Mulwala Water Ski Club were a hoot, and the Saturday and Sunday competition saw 385 individual time trials against the clock!

The boats looked sensational lined up on the bank – congratulations to the best presented winners; as with the number of boats up for it this year - you all really earned it!

It was cool to have one of our founding and life members, Len Retallick make the trip and give the Mulwala Ski Park venue his tick of approval – thanks Len, it means a lot to so many.

With the level of participation across the whole family, I'm sure there were many 'firsts' at Mulwala 2018. Two notables for me were:

Rhonda Middleton - after all her years supporting the SSBOC from the bank, her first timed run round the course in Rumours Has It - with Tony at the wheel, was special for all of us - and Rumours Has It she thoroughly enjoyed it!

Barkley 'Buffy' Moody – after all his years exciting the crowd with Termite, Buffy strapped on a ski for the first time in an SSBOC event - twice!

There are just too many people to thank, as everyone contributed to the great weekend in true SSBOC style; before, during and after, so thanks to you all.

That said, there are some we do need to thank; the Mulwala Water Ski Club for their great venue; the Mulwala Water Ski School & World Ski Team for feeding us all weekend, Tina Davis for providing our first aid – luckily not needed – but much appreciated, and Courtney & Lucinda for providing us 'real' coffee all weekend.

Very special thanks to Ryan Box (Shyside), the Tonkin family (Cracked 1), and Neville & Helen Blake for their generous donations to the club – it helps a lot - thank you.

Again we had our Queensland members take on the 3500km round trip – this year with four boats and crews. For a two day outing that is simply amazing. Hats off to you - and we definitely want to see you all again next year.

The season is not yet over!

The Noel Palmer SSBOC road/ski trip to Queensland heads off in a few weeks. It's not too late to join in and extend your ski season by a few glorious weeks in the sun! See contact details further on.

Then we have our exhibit at the Melbourne International Boat Show on the 28th June to 1st of July. This year we will celebrate our mid mount V8's with Gremlin, Woodpecker & Termite. Believe me – the SSBOC boats stand out against the sea of tin & plastic! Come along and check them out.

Then to finish our season off we have our Presentation Night at Oasis on July 14. After a great season this will be a bumper night. More to come on this soon, so lock in the date and I look forward to seeing you there.

Regards,

Jon Helmore

NEW INSURANCE DEAL FOR SSBOC MEMBERS

In collaboration with **Nautilus Marine Insurance** and **Fergusons Insurance Brokers** the **SSBOC** have a new deal for club boat owners insured with Nautilus. **Nautilus Marine Insurance** have appointed **Fergusons Insurance Brokers** to administer the **SSBOC** members insurance portfolio. This is to provide a personalised service for **SSBOC** boat owners and to provide the following club member benefits:

- Fixed price premium structure
- Substantial savings for many club member boat owners from renewal
- **SSBOC** in-house boat condition reports
- Personalised service
- Ease of **SSBOC** admin – **Fergusons** will advise status of policies prior to an event

Although we individually remain insured with **Nautilus** which provides the unique **SSBOC** '681' clause allowing your insurance to cover you for **SSBOC** events, joining the **Fergusons** administered group of like clubs, including the Classic Australian Wooden Power Boat Association, gives the **SSBOC** boat owner quantity discount benefit.

Some indicative examples of the new fixed price premium structure are:

Sum Insured	Lay up Months	Excess	Premium incl. all fees and GST
\$10,000	None	\$200	\$493.50
\$10,000	6	\$200	\$360.30
\$15,000	None	\$200	\$502.50
\$15,000	6	\$200	\$366.60
\$20,000	None	\$200	\$535.50
\$20,000	6	\$200	\$389.70
\$25,000	None	\$200	\$565.50
\$25,000	6	\$200	\$410.70
\$30,000	None	\$200	\$601.50
\$30,000	6	\$200	\$435.90

All policies will include \$10 million public & property liability, water skiers cover and the **SSBOC** 681 Time Trial extension. **Fergusons** can accommodate special needs where required including higher insured sums, different lay up requirements and pay by the month facilities.

Although the new rates are a benefit for **SSBOC** members, insurance remains the choice of the boat owner, so any club member not wanting to be transferred to **Fergusons Insurance Brokers**, can opt out by contacting: Mark Crockford; markc@nminsurace.com.au or Shelly Ainsthorpe; shellya@nminsurace.com.au

The new program will happen automatically, and will start from each individual policy renewal. The only difference you will notice is your renewal will come from **Fergusons Insurance Brokers** instead of **Nautilus** direct.

As has started to be implemented in recent years, for new policies and at each third renewal a boat condition report and photos will be required. **Nautilus Marine Insurance** has approved our members Kevin Gretch 0408 325 420 (in the North) and Murray Bowra 0412 556 082 (in the South) to prepare and submit the reports at no charge to our members. This is both generous and a privilege so please be flexible and allow them plenty of time to assist.

Please feel free to contact Jon Helmore 0418 345 875 if you have any queries regarding this insurance program.

2018 MILDURA 100

What a beautiful place Mildura is 28 degrees and sun shining was perfect weather for Ski Racing. Well done to all our SSBoc members who raced on the weekend. Most of us stayed safe but Boxy tried to push it a bit and had the bruises all over his body to prove it.

ADDISON PIENING

Big Congratulations go to ADDISON and his team from Hardback Racing who have had an awesome season with a 2nd in MOC Expert at the Southern 80 and then pulled out a 1st in MOC Expert at Robinvale and followed that up with another 1st in MOC Expert at Mildura. BEAU MARTINOVIC doing the Observing. Apologies for missing Addison from not 1 but 2 newsletters. Sorry!!!! Well done Addison and team ... trophies galore!

THE LAUBS

The LAUBS were everywhere as usual with their top man Rob Bertram (maybe he doubles as their security guard).

Unlimited Inboard Social - DARREN skied behind XS Cash and scored himself a shiny 3rd trophy

U10 Boys - KADE skied really well with a 5th place behind the Chief with Dad DARREN driving & ROB Observing.

Junior Boys Expert - What a close one... 2nd place by 3 seconds to TATE skiing behind the Chief with Dad DARREN driving & ROB observing.

THE GRECHS

Well done to the girls on another successful weekend

Social Womens - MEL & COURTNEY were amazing skiing behind Doindough scoring a 1st place with DEAN NEEDHAM doing the observing.

One Up Womens - 2nd to COURTNEY skiing behind Hardcase

60mph Expert - JENNY drove Solid Gold in 60mph and got a 6th place in a very close field.

THE CLANCYS

1st Place Repeat 1st Place Repeat 1st Place Repeat! Well done again Clancys!

Sub Junior Boys Social - 1st to JAKE behind Sonic Boats

Sub Junior Boys Expert - 1st to JAKE behind Sonic Boats again

60mph Social - 1st to JAYMI behind Burn N Wood again with Kris Freeman driving & Leigh Freeman Observing.

Junior Girls Expert - 1st to JAYMI behind The Contractor with Mum LISA doing the Observing

Veteran Womens - 3rd to LISA behind Sonic Boats is this trophy even allowed in the house? Ha!

THE CARNES

Well the boat dramas from Robinvale were fixed so ADAM had Carneage working a treat.

Sub Junior Girls Social - DNF to SUMMER & RUBY behind Carneage with Dad ADAM doing the driving. A sore ankle by one of the girls was the issue.

Sub Junior Lites Expert - 1st to SUMMER behind Carneage with Dad ADAM driving ... her first 1st!

Veteran Womens - 2nd place to ME behind The Contractor with CORRINE DONALD (our newest SSBoc member) doing a fantastic job driving for the old chicks.

U10 Boys - CURTIS entered & finished his first ever River Race on Double Skis and had a great time (and a sore back!).

RYAN BOX

Top 40 Shootout - BOXY skied behind Omen Racing and finished around the half way mark of a very large field.

Unlimited Inboard Expert - BOXY had a BIGGGGGGGGGGGG stack in this race with his binding coming off and smacking him on his leg ... the bruises are phenomenal! Lucky he was ok.

HARRY AUGUSTINE

Well done to HARRY skiing with team Raptor for their great weekend.

70mph Social - 8th in a fairly large field is pretty great

SMOC Expert - 2nd behind Raptor ... awesome job in such a competitive class.

CAM REID

CAM was meant to drive Now or Never in

70mph Social & 70mph Expert but a gorgeous little baby boy was born 3 days before Mildura so he didn't make it.

Congratulations on the birth of David Robert Reid!

MITCH ROWLEY & RYAN PEEL

Well RYAN wasn't satisfied with skiing for only 5 minutes at the Southern 80 so he grabbed MITCH and

off they went to Mildura to ski behind Venom. They skied twice. (That's a lot more than 5 minutes Dave & Neil!)

70mph Social - 11th place which was a great effort for the newbies!

70mph Expert - 12th place just ahead of Leigh behind The Ryno

LEIGH MCDONALD

Well done to LEIGH skiing behind The Ryno in 70mph Expert coming 13th out of 24.

The times in these classes are so close it really is anyone's race.

CORRINE DONALD

CORRINE is one of our newest SSBOD members and she has been having some fun at our Regattas.

She skied behind Gigglin in 60mph Social in the morning and then chucked off the ski and jumped into the drivers seat for Veteran Womens in the afternoon.

BURN N WOOD

Another great weekend for this team.

60mph Social - 1st

60mph Expert - 1st

After the race was over there was some sibling Ski Race practice happening.

Adam Carne kitted himself out with his race gear from 20 years ago and went for a ski with his little sister Lisa Clancy (yes they are brother and sister).

Could there be some more Veterans entries in the future the question is would they be Veteran Womens or Veteran Mens????

Another fantastic Ski Report by our Treasurer,

Bernie Carne.
